## BILLING CODES FOR HOME HEALTH

---

### Code G0180

Physician **certification** for Medicare-covered home health services under a home health plan of care (patient not present), including contacts with home health agency and review of report of patient status required by physicians to affirm the initial implementation of the plan of care that meets patient’s needs, per certification period.

- Payment rate for certification by geographic location: **\$71.05-75.55.**
- 

### Code G0181

Physician supervision of a patient receiving Medicare-covered services provided by a participating home health agency (patient not present) requiring complex and multidisciplinary care modalities involving regular physician development and/or revision of care plans, review of subsequent reports of patient status, review of laboratory and other studies, communication (including telephone calls) with other health care professionals involved in the patient’s care, integration of new information into the medical treatment plan and/or adjustment of medical therapy, within a calendar month, 30 minutes or more-referred to as the **physician care plan oversight (CPO)**.

- Payment rate for CPO by geographic location: **\$115.00-120.48.**
- 

### Code G0179

Same as G0180 except it is for a **recertification** for Medicare-covered home health services for another 60 day episode of care. Does not occur very frequently.

- Payment rate for CPO by geographic location: **\$54.21-58.51.**
-
